## CORE COMPETENCIES

Power BI (Dashboards & KPIs) | SQL Server (SSMS) | Advanced Excel (Power Query, Pivot Tables) | SAP MIS Reporting | MS Access | Data Cleansing & Automation | Portfolio & Risk Analysis | MIS & Management Reporting

## PROFESSIONAL EXPERIENCE

### MIS Manager - DBS Mintek Pvt. Ltd. (June 2025 - Present)

- Developed daily, weekly, and monthly MIS dashboards using Power BI, SQL Server, Excel, and SAP.
- Automated MIS processes using Power Query, reducing manual effort by approximately 40%.
- Analyzed large-volume data using SSMS 2021 to identify trends and high-risk accounts.
- Designed bucket-wise resolution and aging dashboards to improve management visibility.
- Performed data cleansing, consolidation, and analytics modeling for targeted strategies.

### Information System Analyst - CASCO (Oct 2023 - May 2025)

- Analyzed business and operational data to support system-level reporting and decision-making.
- Developed MIS and analytical reports using SQL, Excel, and BI tools.
- Worked with cross-functional teams to improve data accuracy, reporting efficiency, and system processes.
- Supported management with ad-hoc analysis, dashboards, and performance insights.

### Assistant Manager - MIS & Analytics - Kissht Finance Ltd. (Jan 2020 - Sep 2023)

- Managed PAN-India portfolios (Risk-30 ± Write-off/NPA) with structured MIS oversight.
- Supervised 60-70 tele-callers and 3-4 Team Leaders with performance analytics.
- Designed Excel dashboards using Pivot Tables, Power Query, and advanced formulas.
- Maintained customer and payment data using MS Access for fast retrieval and reporting.
- Improved resolution rates and reduced roll-forward cases through continuous analysis.

### Deputy Manager - HDFC Bank Ltd. (Aug 2015 - Jan 2020)

- Managed Credit Card Write-off & NPA portfolios (Risk-120) for Mumbai region.
- Handled 6 external agencies and supervised in-house calling teams.
- Ensured audit compliance, daily tracking, and controlled portfolio slippage
